4. If you have any dispute with a vendor, entertainer or other attendee, please go to the volunteer table at the entrance of the **Faire**.

Greetings!

I would like to thank you for joining us at the **Kinwanis Medieval Faire** and for supporting our endeavor to raise funds to promote the well being of the families of Lee County.

At this time I would like to make suggestions regarding how you may find the **Faire** more enjoyable.

First, enter into the fun, dress the part, next, attempt to partake of the language, style and taste of the period. Ogle the women (or men), flirt with the men (or women), and generally relax and enjoy yourself and your surroundings.

Secondly, feel free to spend your life savings with the vendors, entertainers' hat, and food service. The worst that happens is that next year you will be performing at **Medieval Faires** throughout the country! Not only can you write it off as charity, but with some small effort, you can become a "charity case" yourself ...

Lastly, the **Faire** goes on for four days. Come see us everyday and I promise that by the end of the **Faire** you will love this as much as we all do, and we will love you as well ... again, thank you!
